The 2011 Peach Festival was a resounding success. The weather remained clear, the vendors were great and the guests came in droves. The parade began the day at 9:00 a.m. led by Patrolman Dan Creech in his Wyoming Police Car (see below.) Kudos go out to the Peach Festival Committee for all their hard work!

Above: Dover High School's "Rolling Thunder" drum line marched in the parade as well as performing later for the crowd.

Below: Peach Queen riding the Fifer Orchards' truck.

The barrel train is enjoyed by many children as it gives rides during the parade and all day during the Peach Festival (below.)

The children loved seeing some of their favorite cartoon characters at the Peach Festival on Saturday, August 6, 2011 (left and below.)

Several different Fire Companies participated in the parade including Camden Wyoming & Marydel. (See below)

## WORD FROM WYOMING

### Message from the Mayor

August is the month of peaches and the Wyoming Peach Festival. This year was no exception. Jaci and her basket of peachy helpers did an outstanding job. From the parade to the closing of the festival every minute was planned and carried out by this amazing committee. The Town of Wyoming thanks Jaci and all of the committee for a JOB WELL DONE!

Have you heard about the GOOD NEWS PROGRAM? This is something new on the agenda for the Wyoming Town Council Meeting. I am sure you and everyone are tired of the BAD NEWS that everyone is talking about from the war to gasoline prices. So, I have decided that the Town of Wyoming is going to have a GOOD NEWS SECTION during Town Council Meetings. We will honor different people every month for their good deeds. If you know someone that is worthy of this award, please let me know.

Planning and Zoning was part of the GOOD NEWS in the July meeting. The Town of Wyoming honored Kelly Crumpley, John David and Dave VanKavelaar for their work on Planning and Zoning. Thanks guys for all your hard work on the Comprehensive Plan and all your other projects.

Lisa Fulcher was also part of the GOOD NEWS in the July meeting. Lisa donated and planted all of the flowers in the pots you see around town hall and the annex. A BIG THANKS to Lisa for having TOWN PRIDE!

The road that was known as Dirt Road now has a new name, Remus Lane. The post office will now deliver the mail to the residents and they will not have to go to RT.10 for their mail. Big thanks to the postmaster in the Camden Wyoming Post Office.

Without all of you this town would not be "The Best Little Town in Delaware."

I hope all of the Citizens of Wyoming have a wonderful remainder of the summer; remember the children are going back to school soon so watch out for our little darlings.

If I can be of help to anyone, please call, email, or contact the Town Hall for an appointment with me.

Thank You,

### Wyoming Police Department

Summer is fast coming to a close and school will be starting on August 24, 2011. The newly remodeled W. B. Simpson Elementary School will be re-opening. The bus entrance has been moved to directly across from the Camden Wyoming Post Office. The crosswalks in front of the Post Office will also be changed. This will create a lot of congestion in that area so remember to take extra caution when traveling in the area of the school.

I also want to let you know that the Governor has signed a new law making it illegal to possess a firearm while under the influence of alcohol or drugs.

There have been a few burglaries in town this past month. I want to remind everyone to report any type of suspicious activity that you see. You, the town residents, are the police department's eyes and ears since we cannot be everywhere at once. We are here to serve and protect you, so when in doubt call and we will look into the incident.

I want to leave everyone with this quote from a past president of the United States, Dwight D. Eisenhower, "The supreme quality for leadership is unquestionably integrity. Without it, no real success is possible, no matter whether it is on a section gang, a football field, in an army, or in an office." Always remember the Wyoming Police Department is here to serve you and my door is always open, so please feel free to contact me.

### Code Enforcement

The Town of Wyoming is currently trying to clean up some code enforcement violations. Our Town Ordinance #17-07, Determination and Abatement of Public Nuisances, is enforceable according to our attorney and we will be addressing issues within Town with this ordinance. Property owners that refuse to cooperate with the Town and clean up their properties will begin being fined up to \$100 per day per violation. Thank you to all of you who keep your properties neat and clean, but for those of you who need to do some cleaning up, we recommend that you start working on those issues before we have to contact you. Wyoming is a beautiful town; please help us keep it that way. Thank you.
